

Here at Essex Children's University and Suffolk Children's University, we really value cultural experiences, whether this is visiting a museum, an exhibition, the theatre or many more experiences and activities that help us to develop a better understanding of the world we live in.

Having these experiences are so important and whilst we may not be able to validate every single cultural experience out there, we want to be able to recognise and reward you taking part in these experiences.

Notes: For each full school year, you can earn a maximum of 20 hours worth of stamps for completing this activity. 1 learning stamp for each different Cultural Experience Review that is completed.

Once you have completed this review, please share it with the Children's University coordinator in your school and they will award your 1 hour stamp.

Name of cultural experience you visited or took part in:

What did you learn? Tell us 5 things you learned whilst visiting or taking part.
